Testimonials

"My husband and I had our wedding ceremony, photos, and reception at Pineridge in 2018 and we could not have picked a better venue! The venue was absolutely gorgeous and the staff were very attentive and ensured everything went perfect for our big day! Not to mention the food was fantastic!

Pineridge was even able to arrange accommodations at the resort for my husband and I on our wedding night, along with breakfast to our door in the morning. Thank you Pineridge for being such a huge part of our special day!"

-Jenna and Tim

"Thank you for making our wedding on December 21st, 2019 so easy for us. We appreciated the positive ease in which all of the details of our special day were handled right from our initial contact. The Champagne Brunch was phenomenal and our guests are still exclaiming about the buffet selection, presentation and quality of the meal. The ambiance was perfect and just what we had hoped for our small wedding. The Hillview Room was tastefully decorated for the Christmas season and set comfortably and elegantly for our guests. The addition of the children's activity table was a perfect suggestion and was a big hit with the little ones. Thank you again for assisting in making our special day perfect for us!"

-Carolynne and Mark Oehlerking

"My Fiancé and I planned our wedding reception at The 9 Iron Grill. We decided to have a Champagne Brunch reception. It was an amazing day, the venue was beautiful and the food delicious. All our guests left raving about the décor, food options and service. The team at Pineridge helped us coordinate the perfect day, going out of their way to ensure everything was just as we wanted it!! The day was even better than we had imagined, a 5 star experience for sure "
